## *Donald - ready to help*

### **At work**

### **1 Donald works at the American Cancer Society Discovery Shop in Fremont.**

He's the "toy & electronics guy" - sorting & testing to ensure that they work properly. And he's always willing to lend a hand.

### **2 Donald's passion is gardening.** He's been hooked since his mom introduced him as a child. He grows onions, tomatoes and

squash at his Serra Center home.

### **3 Donald attends Sorensdale Recreation Center** where he thrives at wood shop (making whirligigs) and in the garden. He often helps tutor other students!

At Serra Center we encourage our clients to be as active as possible to foster independence, creativity and pride in their accomplishments. ***We are your community.***
